"Who's that?"

"It won't move!"

Like totally mind boggling

"Questions? Questions, anyone?"

Quit peeking

"Help! I'm stuck!"

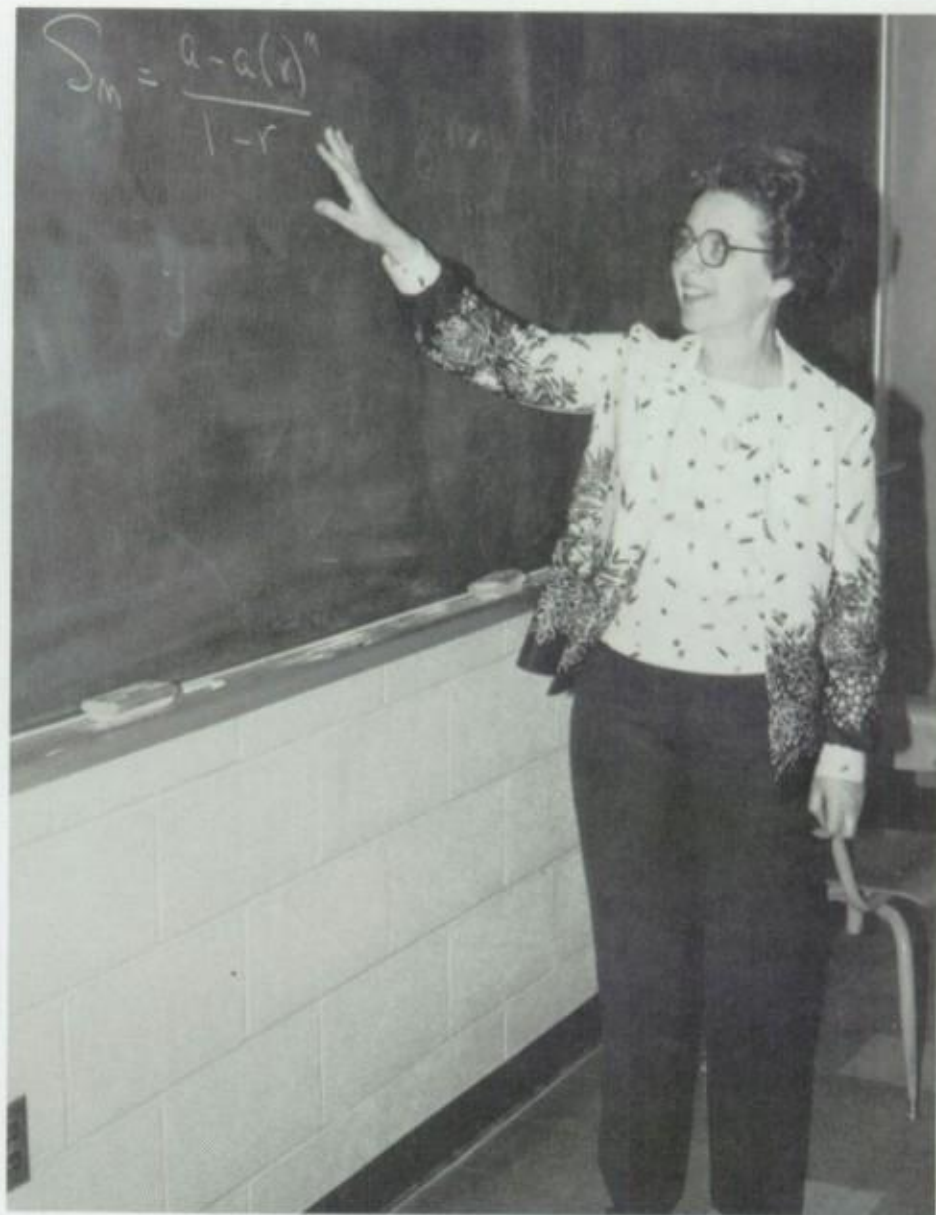

If you arrive at school earlier than usual, you may have noticed that there is one teacher who is already hard at work correcting papers and helping students on a one to one basis. Mrs. Mary Boose can be found from 7:30 on in her room getting a 45 minute head start on the school day.

A teacher for 22 years, Mrs. Boose has taught English as well as math in the Northern Bedford School District. Her teaching assignments included Penns Manor, Girard, and Phoenixville school districts.

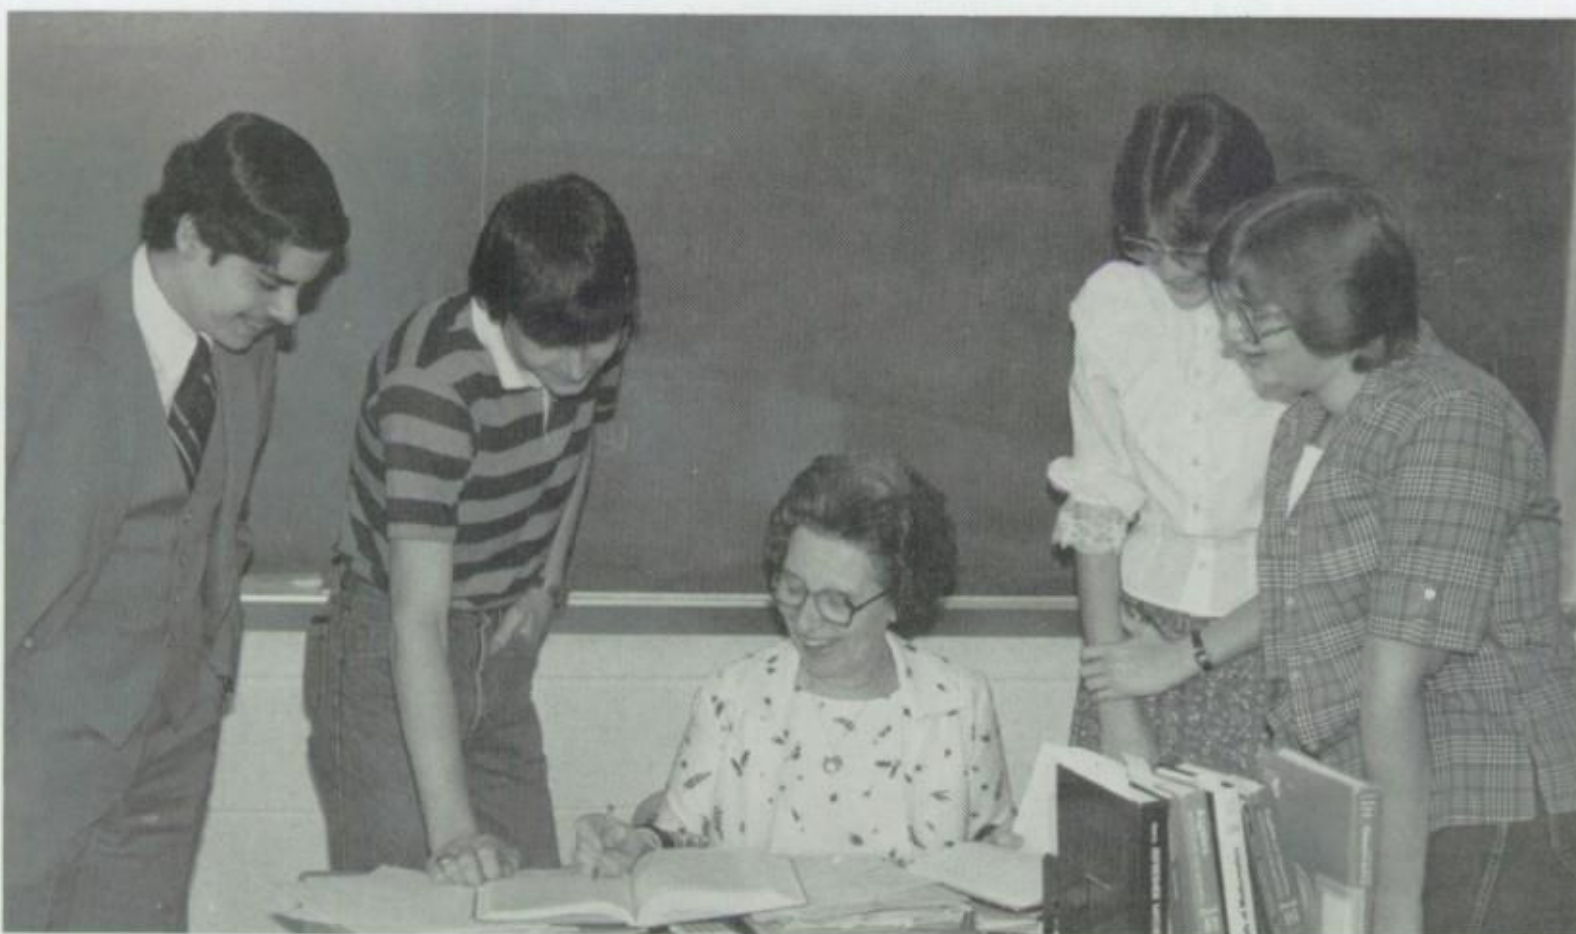

Mrs. Boose received her degree from Indiana University of Pennsylvania, and she is married to the Reverend Raymond Boose, a local minister.

Mrs. Boose said that working with students gives her a great deal of satisfaction. In fact, it is the thing she likes most about teaching.

Thank you, Mrs. Boose, for your dedication to our education.

Mrs. Mary Boose

Working with a group of students

How would you like to be able to speak five different languages? Violaine Keller, Northern Bedford's 1982-83 AFS student can. She speaks English, German, Spanish, Latin, and her native French. Although German was very easy to learn, Violaine says that English was one of the easiest.

Another very interesting thing about Violaine is that she has lived in so many places. She was born in Alsace, France, later moved to Martinique, West Indies, New Caledonia (near Australia), back to Alsace, then to Pau. When Violaine returns to France, her family will have moved to a place closer to Toulouse, France.

Violaine has found many things in the United States unusual. She explains that it is different to see cars used so much, and she couldn't get over the number of drive-in banks, movies, and fast food places. As for the Cove, Violaine was surprised by the large religious community and the number of close families. She also found it hard to get used to everyone's involvement in so many clubs and school activities.

American Field Service

When asked about the differences between American schools and French schools, Violaine quickly stated that school here is much easier than school in France. She says that the level of work here isn't as high, that there are more small quizzes and matching type tests, and that the subjects are easier and less complex than those in France.

Violaine feels that her experience in the United States has changed her in many ways. She says that in addition to having gained many new friends, she'll return to France a more understanding, patient, tolerant, mature, and self-confident person. She also says that this trip has done much to open her mind. Summing it up, Violaine enjoyed her stay in the United States very much.

Because of the extremely close relationship that Violaine has formed with her American family, Mr. and Mrs. Ray Grubb and daughter Karolyn of New Enterprise, she feels that she will miss them more than anything else when she returns to France. When asked if she would ever like to return to the United States, Violaine said that there is no question about it; she definitely wants to come back.

FACULTY

Administration

As the author of a recent best seller has written, "A person can only keep so many problems and concerns in his or her head at any one time. If new problems or concerns are introduced, some existing ones are given up."

The school has had a responsibility in helping you cope with many personal and social issues as you have contemplated your own future. Hopefully, your education has provided some sound training in fundamental ways of thinking that will help you establish personal priorities.

While education should prepare you for the future, it no longer can prepare you for one job, or a specific future. Almost all of you will work at many different occupations, even in contrasting occupational fields, throughout your career. Education will be a lifetime experience.

Be responsive and perceptive to the social issues of your time. Be prepared for the unexpected in your personal life. It is a difficult time, but an exciting time, to embark upon an adult life.

The 1982 Panther football team closed its 3-5-1 season with a 14-14 tie at Williamsburg.

The Panthers, led by captain Wayne Heck, scored a total of 156 points on the year. Leading scorers were Brian Koontz with 84 points and Tim Foor with 40 points.

The Panthers covered a lot of turf with Brian Koontz rushing for 1057 yards on 194 carries. Wayne Heck carried the ball 102 times for 407 yards. Other top rushers were Jeff Porta with 39 yards, Eric Slagenweit with 33 yards, and Tim Foor with 10 yards.

"The season was one that could be summarized as an 'almost season'," said Coach Joe Nastasi.

"We were very close to a very good football season. We lost some very close football games, but for the most part, we played good football. Besides the playing of good football, I am proud of this group because they didn't quit, and they represented Northern Bedford with much class and a lot of pride."

Row 2: Todd Crawford, Abe Curran, Rob Bollman, Wes Burket, Todd England, Doug Slick, Doug Replogle, Tom Foor, Scott Kagarise, Jimmy Ritchey, Shawn Wyles, Mike Freeman, Jeff Helsel. Row 3: Coach Charles King, Coach Norman Sollenberger, Brian Kagarise, Sam Hicks, Mike Porter, Bill Miller, Dan Over, Mark Rhodes, Don Swartz, Steve Ritchey, Steve Kagarise, Kevin Foor, Lowell Walter.

The breaks went against the junior high gridders, literally, in two of their seven games this season. The Panthers lost quarterback Rob Bollman with a broken collarbone against Southern Huntingdon, and tailback Todd England was sidelined with a broken hand against Claysburg. Even with this bad luck, the team managed a five and two campaign that can be attributed to its character and poise under pressure.

"The offense executed well, and the defense did a good job of keeping the ball out of its own end zone," said Coach King. "This is a really good group of athletes who bear watching over the next couple of years. It was a genuine pleasure working with these young men."

The "workhorses" who did most of the Panther scoring were Todd England, a freshman tailback, Wes Burket, freshman halfback and Bill Miller, eighth grade left end. Other starters included Steve Ritchey, Jim Ritchey, Rob Bollman, Brian Kagarise, Tom Foor, Troy McFarland, Mike Porter, John Cottle, Rod Claycomb, Shawn Wyles, Dan Over, Don Swartz, and Kevin Foor.

Coach King was assisted by Norman Sollenberger who also served as line coach.

For the third year in a row, our girls' soccer team has won the Bedford County League Championship, and District V title. The squad extended its winning streak to 29 games after defeating Chestnut Ridge on October 12.

"During the summer I could see the enthusiasm and potential, and during the season it grew within the team," related Coach Miller.

"Some people wondered if this team would be as good as last year's team. They definitely were. We scored one less goal than last year's team, but allowed one less goal to be scored against us. We improved with each game."

A very special highlight of this year for our lady panthers was their participation in a four-team, single-elimination tournament sponsored by the Mount Lebanon High School near Pittsburgh.

Playing on astro turf and under the lights, the BCL champs battled with Fox Chapel, the second ranked team in Pittsburgh, for four long quarters. The Panthers kept the score tied until the final quarter when Fox Chapel moved ahead. The Panthers were unable to score in the remaining five minutes and when the final whistle blew, the score was 3-2 Fox Chapel.

Though they had their 29 game winning streak broken, the Panthers could hold their heads high for playing a superb game.

This year the team's scoring drive was led by senior Tammy Ritchey with 23 goals, topping the school record, which was set last year by Tina Hall. Following Tammy was junior Tina Hall with 14 goals. Close behind Tina was senior Lisa George and sophomore Nora Johnson, scoring 13 goals each.

Other scorers were senior Karen Bowser with 4, junior Bridget Beach with 4, freshman Anita Detterline kicking 2 and Pam Moyer adding one more to the list.

The starting line consisted of right wing Lisa George, right inner Tammy Ritchey, left inner Nora Johnson, left wing Karen Bowser and left wing sub Anita Detterline.

Starting at fullback were Sherri Bechtel at right fullback, Fay Clark at center fullback, Bridget Beach at left fullback and Kim Sell subbing for halfbacks right and left.

Junior Chris Imler filled the goalie position. Although this was her first season, Chris had 62 saves allowing only 10 goals to be scored by the opposition.

"Obviously I'm disappointed with the team's record," said Coach Clapper. "However, the girls worked extremely hard and gave a competitive account of themselves."

The Lady Panthers completed their 1982 season with a 1 and 17 record. Although they only won a single game, they showed great enthusiasm on the court. Named second team all county, senior guard Tammy Miller was the leading point scorer followed by first team all county, senior forward Gretchen Sharar. Other senior members of the team included guard Amy McFarland, forward Susan Smith, and point guard Lorelle Steach. Juniors Tangi Clark, forward; Andrea Reed, guard; Susan Ritchey forward; and freshmen Michelle Oakes, Bev Bollman, Lois Perrin, and Deana Dilling filled out the roster.

"I can do it myself!"

The Mighty Panther Cagers ended their '83 campaign with 17 wins and 9 losses. The starting line-up included seniors Tim Foor at guard, Alex young at forward, and Rob Wigfield at center; juniors Brian Koontz at guard, and Eric Reed at forward, Rob Wigfield led the team in points scored. Other members of the team included senior Allen Sell, center; juniors Mike Browell, guard; Jim Steele, forward; Eric Corle, forward; George Eckenroad, guard; sophomores Danny Foor, forward; Richard Hanks, forward; Robert Hanks, forward; Mark Hostetler, center; Ron O'Neal, forward; Tim Rupp, forward; Brian Reighard, center; and Mickey Shauf, guard.

"I enjoyed coaching this groups of guys very much," said Coach Ewart. "They were all willing to work hard and everyone was willing to play a team-concept type of game. We didn't have any stars, just a bunch of guys playing together trying to win ball games."

The varsity grapplers compiled a 10-6 record during the 1982-83 wrestling season.

The year was highlighted by junior Darrin Troutman's winning our first District V championship in six years. Darrin then went on to regionals to place third which qualified him for state competition.

Other wrestlers who placed at districts included senior Wayne Heck, who grabbed second honors, and sophomores Tom Ferry and Jim Wylie, who both placed third. These four wrestlers were the team leaders throughout the season.

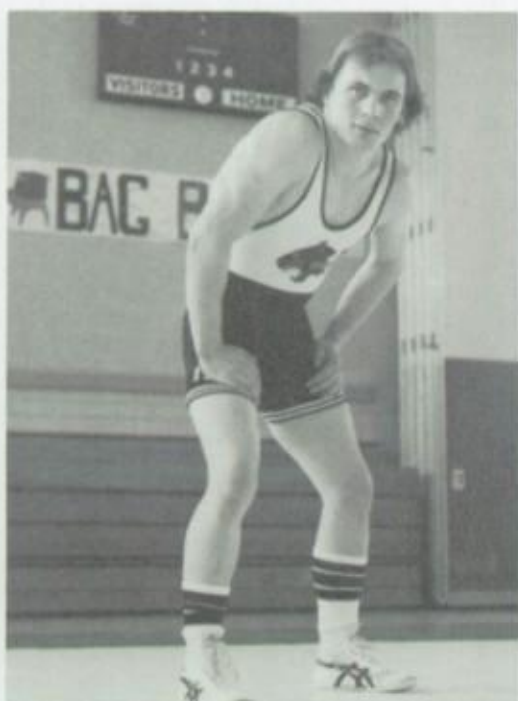

Wylie won 20 bouts and had nine pins, while Heck racked up 21 victories, eight of which were pins. Ferry defeated 23 opponents and had eight pins, and Troutman accumulated 26 wins, ten in which he decked his adversary.

Wylie, Ferry, Troutman, Heck, and sophomore Clay Corle were all named to the Tri-County League All-Star Team. The Tri-County Tournament was held at the Altoona Campus in December.

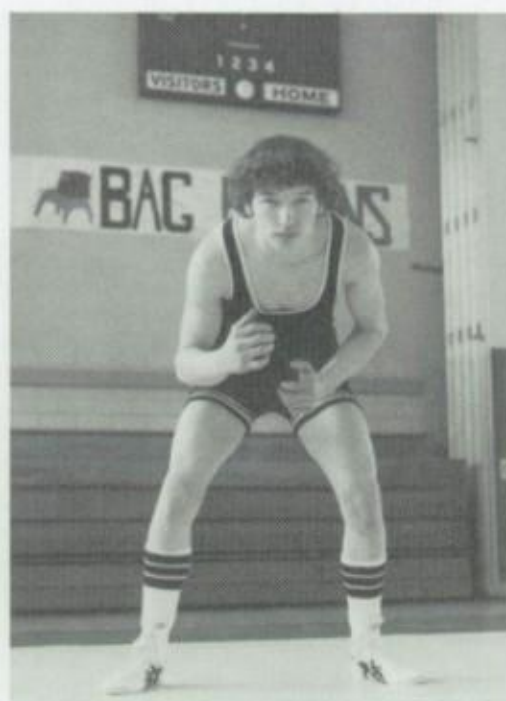

Head coach Rod Hoover said, "The 1982-83 wrestling season was exciting and satisfying. We had a winning record for the first time since 1977. The wrestlers continued to improve all year and they kept their enthusiasm at a high level. I feel that all our wrestlers, and especially the seniors, can be proud of the year they had. I would like to give a special thank you to team captain Wayne Heck and the rest of the seniors for their leadership and dedication."

The 1982 Lady panther tennis team concluded its season with a 0-8 record.

"Basically we were a young team only two seniors starting. I feel the younger members of the team will benefit from this year of experience," commented Coach Mary Olewine.

Northern Bedford was represented at the District V singles competition by juniors Michelle Baker and Diane Dilling. In addition, there were two teams, consisting of Kim Fluke, Michelle Baker, Ann Bowman and Tina Baker, which represented Northern at the District V doubles meet.

Overall, the season was a disappointment, but the team and their coach never lost their enthusiasm and have high hopes for next year.

Row 3: Karen Bowser, Coach Ross Miller, Eric Dasher, Rob Wigfield, Derry Furry, Coach Eddie King.

The varsity baseball team slugged its way through a very successful season but lost its momentum and a chance for the District V title at the hands of Everett.

Although the team showed strength in all areas, Larry Steach shone as the top hitter. Larry carried a .324 average with nine stolen bases and 16 walks. George Eckenroad led in RBI's with eight. Both Larry and George and outstanding defensive player, centerfielder Mike Dively, are underclassmen,

which promises a strong potential for next season. Eric Dasher copped the lowest ERA with a measley 1.26 per game.

"The squad finished their 1983 season with a 10 and 6 record. Tying with Everett, they were 7 and 3 in the Bedford County League. In the final showdown, Everett secured a victory and the chance for a District V title, leaving our team to ready themselves for a shot at the 1984 title," related Coach Eddie King.

"Our record does not really reflect how well our boys played as a team. Two of our losses were by one run each. We were really close to a winning record. The most important thing we learned this year was how not to quit, how to stay in there and fight. We proved that against Tussey with an 11 to 1 win and a 9 to 6 win over Everett after being behind 6 to 1," commented Coach King.

"Although we weren't as successful as we'd like to have been, we accomplished our goal of teaching fundamental skills. Half of our starting lineup will return next year, and they will bring with them good baseball sense and much experience."

Starters this past season included Brian Kagarise, pitcher; Todd England, catcher; Mike Porter, first; Mike Reed, second; Tom Foor, third; Mitch Lippincott, shortstop; Kevin Foor, left field; Rob Bollman, center field; and John Cottle, right field. Doug Slick, designated hitter and third base, led the team in batting with a .476 average, and an on-base percentage of .577.

Other players who contributed in a backup role were Duane Garlick, pitcher and outfield; Dave Clouse, catcher; Sam Hicks, outfield; Todd Hart, outfield; and Allen Hall, infield.

The Northern Bedford softball team combined an outstanding record of 7-3 to put them in second place in the Bedford County Class AA and third place in the Bedford County League.

The leading hitters for this year's team were Tammy Miller, senior, batting .520, Lorelle Steach, senior, batting .500, Fay Clark, junior, batting .432, and Andrea Reed, junior, batting .485.

The leading pitcher for this year's team was junior Tina Hall who combined a marvelous record of 8-5.

The coaches for this year's team were Joe Clapper, who has been coaching the team for the past three years, and Mary Olewine, who has assisted Mr. Clapper for three years.

The members of the panther team voted Tammy Miller Most Valuable Player and Lorelle Steach as team captain.

"I'm very proud of our successful softball team," commented coach Joe Clapper. "The girls worked very hard and were quite coachable. The four seniors, in particular, are to be commended for their leadership on the field as well as their fine play. It was a real joy to work with this year's team."
